Sub : Trainee Printing Technologists

Madam

Saraswaty Press is the largest Government Printing Company in Eastern India, an ISO 9000 : 2008 System Certified Company. Our subsidiary company West Bengal Text Book Corporation Ltd. is the largest Text Book printing facility in India.

To sustain the growth of the company, we would like to induct new Printing Technologists. We offer to be part of the career development of students from your Institute who are doing B. E. in Printing Engineering. The training period would be for two years. After satisfactory completion, the candidates will be inducted in the permanent roll of the company. The Government of West Bengal offers attractive compensation package and a very professional working condition for development of the Printing Technologists.

Please send us the Bio-Data of academically good candidates, from among the 3rd & 4th year students.

Thanking you

Yours faithfully

Subodh Majumdar
Managing Director
